Council Chambers

Mayor Smith called the meeting to order at 5:02 P.M.

Present: Mayor Smith, Councilors Pontinen, Pulles and Skenzich, Public Works Director Sam Lautigar and Clerk-Treasurer Jill Zallar

Absent with notice: Councilor Heitzman

1. Alley Pickup – The City would like to keep this service available to residents, however the dumping costs and fees have been very large in the past as non-residents had been using the city dumpsters as well. Councilor Pontinen brought information on what another city does for alley pickup. Gilbert will be giving this a try. A flyer will go out in May’s utility bill that will describe the service to our residents and instructions on how to sign up for the service.
2. School Asbestos Abatement issue – The hauling from the school will be done within the next 2 weeks.
3. HRA Apartment Request – Rates will change from commercial rates to residential.
4. Siren App vs. new advance warning system – Sam and Ty Techar are still acquiring information and will present more at a council meeting.
5. \$85 SLC Waste Fee process to have County Bill vs. City bill – A motion will be made during the regular council meeting to allow the county to collect this fee, instead of the city.

Motion moved to adjourn by Councilor Skenzich, 2nd Councilor Pulles at 5:56 P.M. MCU

Tom Smith, Mayor
